Butterfly

You tell me you love me, you say you'll be true
 Then you fly around with somebody new
 But I'm crazy about you, you butterfly

You treat me mean, you're makin' me cry
 I've made up my mind to tell you goodbye
 But I'm no good without you, you butterfly

I knew from the first time I kissed you
 That you were the troublin' kind
 'cause the honey drips from your sweet

lips One taste and I'm outta my
 mind

I love you so much I know what I'll do
 I'm clippin' your wings, your flyin' is through
 'cause I'm crazy about you, you butterfly
 Oh, I'm crazy about you, you butterfly
 Ooh I can't live without you, you butterfly

You butterfly
 You butterfly

The "butterfly" in the song is probably Claudine Longet, Andy William's first wife who gave him his 3 children Noelle, Christian and Bobby. She is the infamous shooter of champion skier Spider Sabitch in 1976 in Aspen, CO. She claimed it was accidental and received 30 days in jail. Andy went to Aspen to be by her side after the shooting but she ran away with her married defense attorney to Mexico.
