Originally formed in Germany in 1976 by writer and producer Frank Farian, Boney M. were one of the disco-oriented pop acts which dominated the European charts throughout the late seventies and the early eighties. The lead singer, Liz Mitchell, born in Jamaica but living in London, started her career with a part in the musical 'Hair'. The other band members are Marcia Barrett, also from Jamaica, Maizie Williams (former "Miss Black Beautiful") from Montserrat, and Bobby Farrell who used to be a DJ in The Netherlands. Boney M were actually the first Western pop band to perform at Moscow's Red Square. They were not allowed however to perform their famous song "Rasputin". The band split in 1986 but came back in the 90s and is still giving a spectacular live show across the world.

NB: There is also a cue-sheet to an extended remix of this song by the same artists, 3:56, terrific beat. Just ask for the cue-sheet and the music file of the remix.
